Phone no.: (716) 304 6843
Fax no.: (866) 243 7918

Level Measurement

Magnetic Gages, Magnetostrictive Transmitters, Float, Magnetic and RF Level Switches.

Laser Level and Position, 2D & 3D Scanners, Guided Wave Radar, Ultrasonic Transmitters, Plumb Bob, RF Switches, Paddle Wheel and Tuning Fork

Spectre Sensors

Pressure Measurement

Pressure Transducers with Combined Temperature Output. Indicators Oil Free units with "Fused" Bond Sensor. General Purpose and Ex Areas High Accuracy, USB, Submersible, Sanitary, Hydraulic, DP and Melt.

Digital and Dial Pressure Gauges, Diaphragm Seals, Needle Valves and Pressure Gauge Accessories

Signal Conditioning

Temperature Transmitters, Universal Transmitters, Isolation, Displays, Trip Amplifiers, and complete line for Ex areas.

Sight Glasses & Process Lights

"Cold" Light Fiber Optic Lighting Systems and "Fused" Glass Sight Glasses for Process Vessels. Combined Light and Sight Glass Combinations. Spray Rings, Sight Flows and Quick Port Closures.

Vision & Particle Sizing Systems

Vision Systems for Process Vessels, Furnaces, Boilers and Surveillance. Particle Size and Shape Analyzers for Solids and Slurries. Level Measurement, Foam Detection, Turbidity, Color Analysis and Thermal Imaging. If you can see it they can measure it.

Temperature Measurement

Non-Contact Infrared Temperature Measurement, On-Line / Fixed and Portable Thermometers, Linescanners, Thermal Imagers and Calibration Sources. Calibration Lab Approved to ISO 17025.

SSI SMART SENSORS

Thermowells, RTDs, Thermocouples. Full Assemblies with Transmitters for Sanitary and Industrial Applications in Weatherproof and Hazardous areas. Standard outputs of 4-20mA, HART, Profibus and Foundation Fieldbus.

Thermometers and Temperature Dial Gauges.

Liquid Analyzers

Conductivity, pH, ORP, Dissolved O₂, Resistivity and Specific Ion.

Electro-Chemical Devices

Brass Filters

High pressure Tee, In-Line, and Mini In-Line filters for Oxygen, Air and Hydraulic Systems.

SpeedTech

Pipe & Tubing Insulation

Removable and Reusable Insulation for Tubing, Piping, Valves and Fittings.
